# 2021 IMPACT

**SAVING LIVES  
 CREATING COMPASSION**

EPIC 100% created more compassion in 2021. By connecting people to rescued animals through partnerships with the Girl Scouts, after school programs, and with visits to the farm sanctuary; kids and adults learned about being kinder stewards of themselves, animals, and the planet.

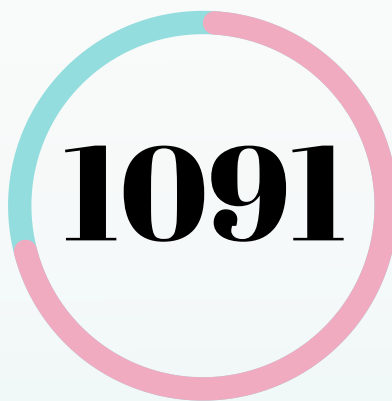

**“Jordan came afraid of horses, but left loving them. He already liked pigs and was so excited for them, but then he was introduced to Guinea Pigs and fell in love.”**

## In 2021 YOU Provided:

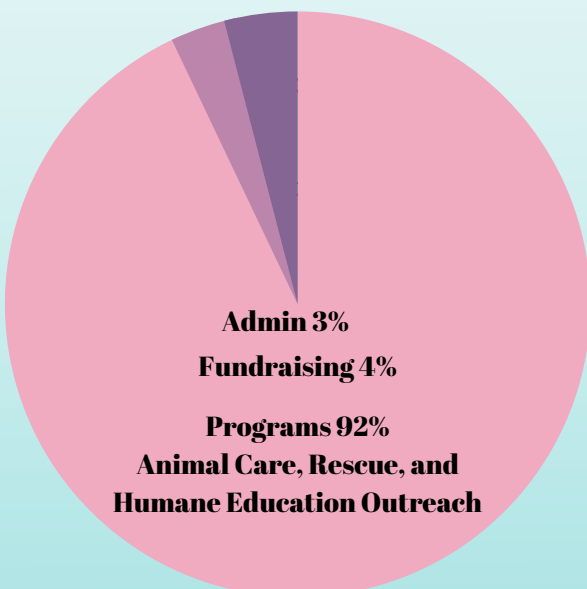

From pigs to horses, chickens, dogs, and donkeys. 55 animals found a way to live a life in sanctuary or were helped along to a better more compassionate life.

Connecting people to animals is where the magic happens. 1,091 kids and adults got to meet the animals and learn about their rescued stories.

Children's books are at the center of EPIC's humane education outreach and 1,100 books were shared with kids and adults.

**YOUR SUPPORT makes Saving Lives and Creating Compassion POSSIBLE. Your generosity is used wisely and with the greatest IMPACT to save more lives and create more compassion.**
